## Touching Lives - Warming Hearts

Promoting the healing and rehabilitating benefits for the human / animal bond

"You visited my mom at Oak Leaf Manor a few days before she died. She was a lifelong dog lover and when I told her there was a dog coming to visit she smiled, opened her eyes and said "In here?" Those were the last words she spoke and the last time I saw her smile. I cannot thank you enough for your gift of that special memory. You are the reason I joined KPETS to try and give back in memory of my mother."

KPETS - Keystone Pet Enhanced Therapy Services is a network of dependable registered pet therapy teams whose passion is *Touching Lives ♥ Warming Hearts* by providing comfort, encouragement and rehabilitation through human/animal interactions. Volunteers and their therapy dogs, cats, mini horses, Juliana pig and mini donkey work with special-needs children, adults, seniors, and at-risk teens providing pet therapy free of charge.

We receive notes of appreciation like the one above, along with more and more requests for visits every day. More teams are needed to fill these requests, and screening, registering, supporting and networking these volunteers does not come without a cost to KPETS. That is why your support is imperative.

KPETS is hosting its **Tails of Comfort** Fundraiser / Volunteer Recognition Dinner on Sunday afternoon, March 18, 2018 from 4:00-7:00 pm in the Wolfe Auditorium at Brethren Village in Lancaster. We are asking you and your friends **to join us for this special event** as well as **consider becoming a sponsor and/or donating gift cards/certificates or other items for our raffle and silent auction.**

Please complete the enclosed form and return it with your donation to the address indicated. If you would like your name to appear on the dinner program, please send prior to February 17, 2018. As soon as your contribution is received, it will be recognized in all dinner publicity. Please contact Ellen at [ellens@kpets.org](mailto:ellens@kpets.org) or call 888.685.7387 with questions.

Your support will help KPETS continue Touching Lives ♥ Warming Hearts!

With grateful appreciation,
