HIPAA Confidentiality Agreement

Federal Health Insurance Portability and Accountability Act

All patients have a right to privacy and all staff including volunteers must respect this right and comply with Keystone Pet Enhanced Therapy Services (KPETS) and the federal law, which insures this right.

- Any information that can identify a patient is considered “Protected Health Information” (PHI). Divulging this information either written or oral is a violation.
- Volunteers will receive minimum information necessary to do the job.
- Conversations with patients should not include questions about their diagnosis, insurance coverage, or anything else that deals with their health information.
- Do not listen to any conversations between patients and medical staff.
- Never discuss anything about a patient unless it is in the performance of your assignment and then only to the proper person and in a manner and location, which insures that the conversation will not be overheard.
- Never discuss anything about a patient outside of the host facility. This includes knowledge of admittance, and emergency treatment. This also pertains to family members, neighbors, friends, church members, etc. who are patients and whom you might see while volunteering. Unless they give you permission to tell someone else, **DO NOT TELL ANYONE.** (This can be difficult at times, because you are caring individuals and would want others who care to know so that they can send a card, say a prayer, etc. However, it is the Law and you must comply. It is also the patient’s right to privacy, no matter how good your intentions might be.)
- Key: remember **WHAT** you are saying, **WHERE** you are saying it, and to **WHOM** you are saying it. These three W’s can determine whether or not you are being compliant with HIPAA regulations.

I hereby agree that I will not discuss, reveal, copy or in any other manner disclose any PHI that I may see or hear while volunteering for KPETS in various facilities. I understand failure to comply with any of the statements aforementioned in this document is my responsibility and not that of KPETS. Failure to comply would mean legal action and/or immediate disciplinary action, which may include dismissal from membership.
