

New KPETS 2020 Kalendar Contest

Rules and submission form

Calling all KPETS volunteers, friends and donors. Take a “cool or hot” (☺) photo of your pet and maybe they will be featured in this upcoming year’s calendar. You are the artist, so your pet(s) could be playing outside, dressed up, lounging or enjoying a special holiday—your call. You may include your pets that are not registered with KPETS, but please limit the photos to KPETS approved animal types— your pet dogs, cats, mini-horses, rabbits, ducks, and pigs.

A committee made up of volunteers, staff and friends will review the submissions and pick the winners. Photos will be judged by quality, composition and emotional appeal. There will be space for up to 40-50 photos, so you will have a great opportunity to see your pet become famous in the KPETS 2020 calendar.

Remember for a small donation you can also have birthdays, “gotcha dates” or memorial dates published in the calendar.

The KPETS Kalendar is an important fundraiser for us, so we hope you will participate and also purchase calendars for friends, co-workers and family when they are published.

We're excited to try something different this year and look forward to seeing your photos, so please read the rules below.

- 1) Deadline is September 1, 2019
- 2) \$15 per photo/does not have to be a KPETS registered animal
- 3) Only animals in photo
- 4) All photos horizontal in orientation
- 5) Digital, high resolution images only (send original largest file)
- 6) Original electronic file only
- 7) Photos must be previously unpublished, no copyrighted photos accepted
- 8) Photos become property of KPETS and cannot be returned
- 9) KPETS reserves the rights to use pics on social media, our website and publications
- 10) Make sure when sending email to include name of pet to the corresponding photo.
- 11) Email photos in jpg or tif format to info@kpets.org
- 12) Please complete the entry form and mail with check to KPETS.

Please let us know if you have any questions.

Email questions to: info@kpets.org
